Sea Runner – Softtop Non-ET

Non-ET Baseline

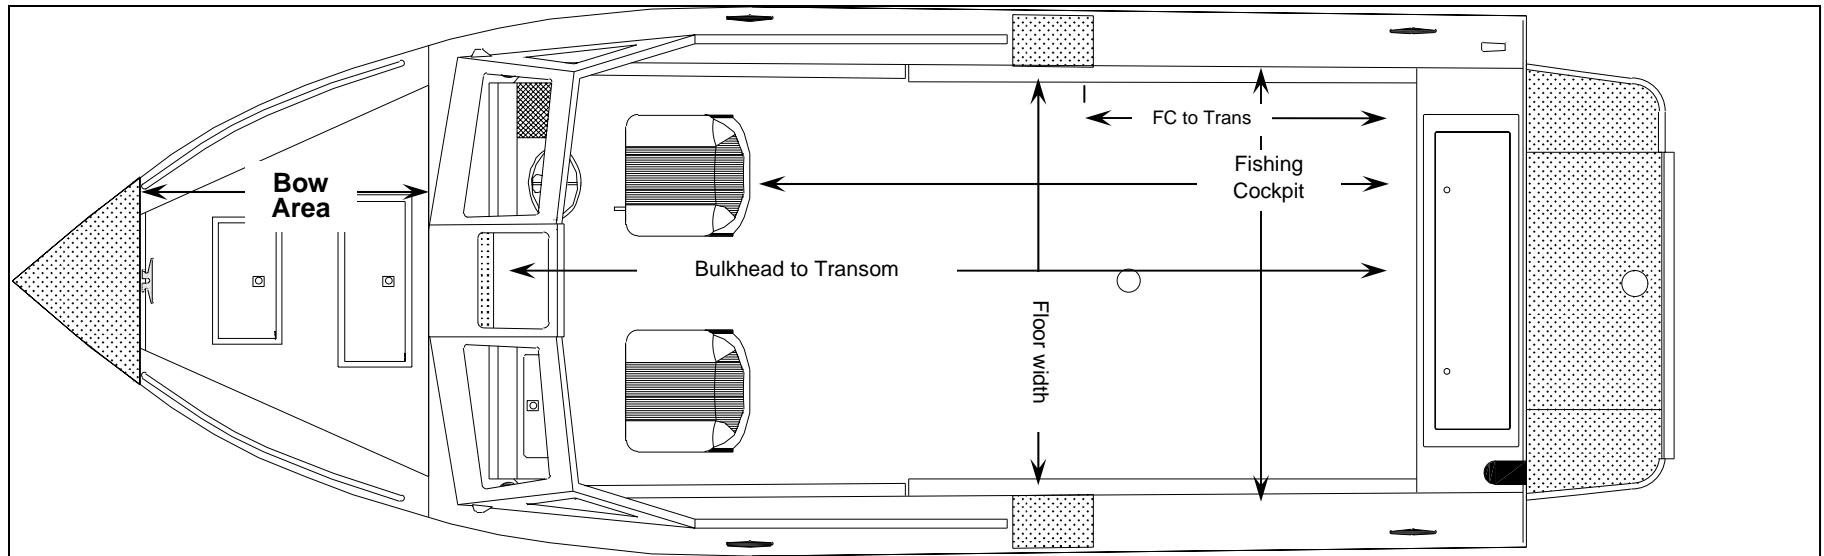

MEASUREMENT	180 SR	200 SR	220 SR
Fishing Cockpit: inwale x length	72" x 77"	72" x 101"	72" x 122"
Fwd Bkhd to Transom: width x length	115"	135"	156"
Cockpit floor width	66"	66"	66"
Bow Area	48.5"	48.5"	48.5"

Please note: These measurements are approximations only. Due to tolerances in manufacturing, variations will occur.

180 Sea Runner – Softtop Non-ET

Canvas Length vs. Fishing Area
[Standard aluminum fishbox]

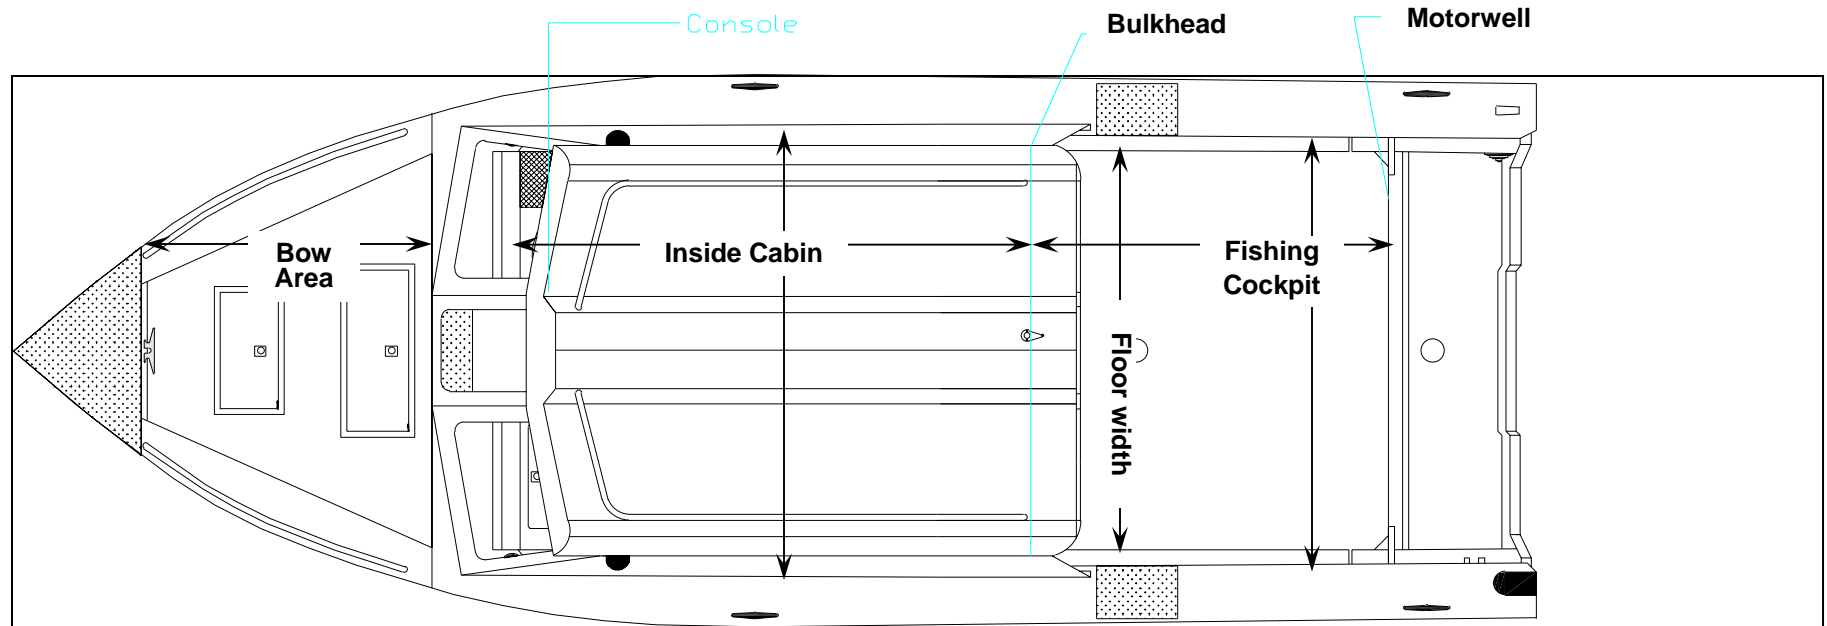

MEASUREMENT	MODEL	No or Short Jump A / B	Long or Sleeper A / B
Canvas "A" / Fishing Area "B"	180 SR	68" / 36"	77" / 27"
Canvas "A" / Fishing Area "B"	180 SR ET	68" / 42"	77" / 33"

* Canvas Length "A" is the measurement from top of windshield aft to the canvas fish curtain.

Please note: These measurements are approximations only. Due to tolerances in manufacturing, variations will occur.

Hewes Boats with Extended Bottom ET

- 180, 200, 220 SeaRunner ET
- 200, 220 OceanPro
- 200, 220 Pacific Sport
- 220 Pacific Cruiser

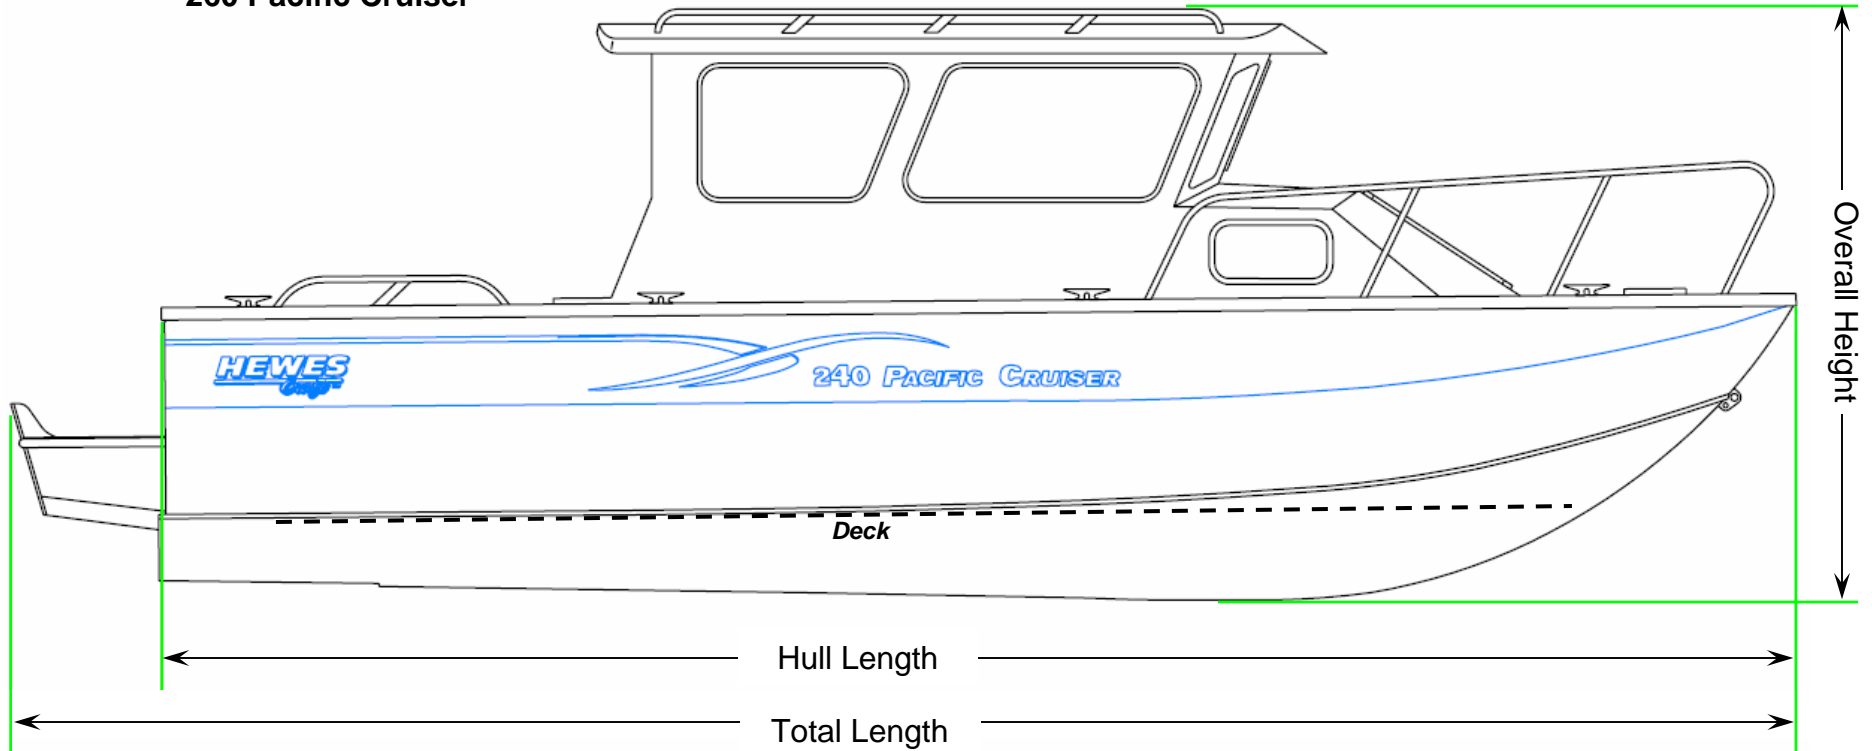

Hull Length is typically 5~8" shorter than Total Length due to angled transom.

Please note: These measurements are approximations only. Due to tolerances in manufacturing, variations will occur.

Preliminary Ver. D

Hewes Boats with Integrated ET

- 240 Alaskan
- 260 Alaskan
- 240 Pacific Cruiser
- 260 Pacific Cruiser

Please note: These measurements are approximations only. Due to tolerances in manufacturing, variations will occur.
