

Open Fisherman Series The Do-It-All Fishing Skiff

16' - 18' - 20' Open Fisherman

Fish without compromise in this functional do-it-all open skiff. This Hewescraft is extra roomy offering maximum deck space for fighting and landing fish. Our best-in-class floor fish box is nearly 4' long providing plenty of room for your catch. And its removable, so you can keep your bilge cleaner. The 24 gallon fuel tank is bow mounted to ensure that the boat stays balanced with motor and passenger weight.

Sheer simplicity is what makes this boat so functional, yet there are a few options that will make it even more fisherman friendly. The center console, for example, offers good visibility and comfort for the captain. The versatility of this boat makes it perfect for both weekend sportsmen and guides. If you are a fish-it-all fisherman looking for a do-it-all boat at a value price, the Open Fisherman is a terrific choice.

OPEN FISHERMAN
